## Meeting Minutes

### President's Message:

The board met and set out the club's goals for this year:

1. Sign up 5 new members by creating a membership kit to cross promote our events and membership opportunity.
2. Partner with other 2 other community organizations to participate in 2 new fundraising events.
3. Create an atmosphere of fellowship in the Club by planning fun events, having programs at regular club meetings and Tail Twister fun at regular club meetings.
4. Ensure each committee has a meeting schedule, goals and a reporter.
5. Create a public relations plan that includes cohesive web presence and other ways to increase our visibility.
6. Create a membership retention and engagement plan that reaches disengaged and dissatisfied members of the Club.
